CITY OF GREENFIELD ORDINANCE NO. 2026-

IN CITY COUNCIL: _____, 2026

AN ORDINANCE TO PROTECT AND AFFIRM THE GENDER OF ALL INDIVIDUALS

Be it ordained by the Greenfield City Council in session assembled, that the Code of Ordinances of the City of Greenfield is hereby amended by adding the following Chapter:

Section 1. Purpose

The purpose of this ordinance is to affirm Greenfield's commitment to upholding the dignity, equality, and rights of all individuals to live as their full, authentic selves, regardless of gender identity or gender expression; to protect access to essential services by individuals of all gender identities and expressions without fear of discrimination, criminalization, or legal repercussion; and to clarify that our city will not participate in any civil or criminal action related to healthcare provision originating in other states or expend city resources related to such aim.

Section 2. Definitions

As used in this chapter, the following terms shall have the meanings indicated:

(b) GENDER IDENTITY: A person's gender-related identity, appearance or behavior, whether or not that gender-related identity, appearance or behavior is different from that traditionally associated with the person's physiology or assigned sex at birth. Gender-related identity may be shown by providing evidence including, but not limited to, medical history, care or treatment of the gender-related identity, consistent and uniform assertion of the gender-related identity or any other evidence that the gender-related identity is sincerely held as part of a person's core identity; provided, however, that gender-related identity shall not be asserted for any improper purpose, in accordance with M.G.L. c.4 §7, clause 59th.

(e) INTERSEX: An umbrella term for people with sex traits (such as chromosomes, hormones, gonads, or genitals) that do not fit binary notions of male or female bodies. Intersex sex traits may be visible at birth, emerge during puberty, or remain undetected until later in life.

(f) BIOLOGICAL SEX MARKER: An abbreviated indicator of an individual's biological sex (e.g. F, M, or X).

(g) LGBTQIA+: Individuals who identify as lesbian, gay, bisexual, transgender, queer/questioning, intersex, asexual, or other diverse sexual orientations and gender identities.

(h) SEXUAL ORIENTATION: An inherent or immutable enduring emotional, romantic or sexual attraction to other people. An individual's sexual orientation is independent of their gender identity.

(i) TRANSGENDER: An individual whose gender identity is different from the binary gender (man or woman) corresponding to their assigned sex at birth, and encompasses binary, non-binary, two spirit, and gender expansive identities.

Section 3. Equal & Dignified Treatment of All Individuals

(a) All Greenfield city agents shall treat all employees, applicants, contractors, and members of the public with dignity and respect, regardless of gender expression, gender identity, or sexual orientation.

(b) An individual's gender expression, gender identity, or sexual orientation shall have no bearing on an individual's treatment by any city agent.

(c) City agents shall not harass, discriminate, or retaliate against anyone based on their gender expression, gender identity, or sexual orientation.

Section 4. Employee Protection

(a) "Gender identity," "gender expression," and "sexual orientation" shall be included in the list of protected classes in all City non-discrimination, anti-harassment, and equal employment opportunity policies.

(b) In the workplace and in the provision of city services, the intentional and repeated use of a name, pronoun, or gender marker inconsistent with an individual's stated gender identity, after that individual has informed the relevant city agent of their correct name, pronoun, or gender marker, shall constitute harassment. This section shall not be construed to penalize good-faith mistakes or occasional errors that are promptly corrected, nor to restrict speech protected under the First Amendment to the United States Constitution or Article XVI of the Massachusetts Declaration of Rights, including public comment at City Council or other public meetings.

(c) City of Greenfield departments shall change an employee's name, pronouns, biological sex marker, and gender in all personnel and administrative records upon the employee's request, including internal and external personnel directories, e-mail address and business cards.

(d) At the request of an employee, the City of Greenfield shall work with individual employees to create and implement gender expression transition plans that meet that employee's needs, including, but not limited to, supporting staff in using updated name and/or pronouns for the employee and coordinating appropriate time off in the event of medical transition that requires a leave of absence, and accommodation in duties upon return to work.

(d) Any anti-bias training for city employees shall consider gender expression, gender identity, and sexual orientation and include both transgender people and intersex people.

(e) The City of Greenfield shall endeavor, when possible, to prioritize health insurance plans that cover gender affirming care.

Section 5. Requests for Information or Assistance

(a) No city agent shall request, collect, or retain information regarding an individual's gender identity, gender expression, transgender status, or receipt of gender-affirming health care services nor shall it be used for any purpose other than what is reasonably necessary to provide the specific city service requested or to fulfill a specific legal obligation, except as otherwise required by state or federal law.

(b) Any such information that is collected shall be retained only for the minimum period necessary for that purpose, consistent with the City's applicable records retention schedule, and shall not be shared, sold, or disclosed to any third party except as otherwise required by law or with the informed, written consent of the individual to whom the information pertains.

(c) Consistent with G.L. ch. 4 §7(26)(c), personnel and medical files or information and any other materials or data related to the provision of gender-affirming health care services for any person, including individuals who are not residents of the City of Greenfield or the Commonwealth of Massachusetts, held by any city agent in their capacity as a city agent shall be kept confidential and shall not be disclosed in response to a public records request.

(d) If a city agent receives a subpoena, warrant, court order, or other legal demand seeking disclosure of information relating to an individual's gender identity, gender expression, or gender-affirming health care services, and such disclosure is not otherwise required to be made without notice, the City shall make reasonable efforts to notify the individual whose information is sought prior to disclosure unless such notice is itself prohibited by statute, court order, or other applicable law.

(e) No city agent may provide information or assistance to any state or federal law enforcement agency or any private citizen or quasi-law enforcement agent in relation to any investigation, inquiry, or civil or criminal action regarding gender-affirming healthcare or any action targeting an individual based on their LGBTQIA+ identity if such services or identities are lawfully recognized and protected in the Commonwealth; provided that they are not required to do so by Massachusetts law, or as required by the Massachusetts Public Records law pursuant to Chapter 66 of the General Laws and its regulations. No city resources, materials, or funds shall be used in the provision of such information.

(b) Pursuant to G.L. c. 147, §63 no city agent shall hold a person, regardless of residency, for seeking, receiving, causing, aiding in access to, aiding or abetting or providing, or attempting or intending to seek, receive, cause, aid in access to, aid or abet, or provide gender-affirming health care services, if such services

are legally-protected health care activities in the Commonwealth of Massachusetts, except as required by the order of a court of competent jurisdiction.

(c) Consistent with state law, any person held in custody by the Greenfield Police Department shall not be remanded, transferred, or extradited to another jurisdiction for having sought, received, caused, aided in accessing, aided or abetted or provided, or attempted or intended to seek, receive, cause, aid in access to, aid or abet, or provide gender-affirming health care services, if such services are legally-protected health care activities, except as required by the order of a court of competent jurisdiction or when the investigation or proceeding would be subject to civil or criminal liability or professional sanction under the laws of the Commonwealth if committed in this Commonwealth.
